

Student Newsletter

February, 2017

Happy February to our Promise Academy families! Just a few reminders for this month, Parent-teacher conferences take place February 9th from 1240pm-530pm. Please take time to review your student's progress on this day. Our teachers will be present to meet individually with you!

Please encourage your student to work on the computer away from school. It is important to keep pace with the online lessons. If you have any questions about how to access your student's online lessons away from school, call the main office at Promise Academy at 216-443-0500. Thank you!

This month is Black History Month, we plan to bring in speakers to speak with students around the theme associated with Black History. If you would like to join us, please feel free to stop in and participate with our celebration on February 23rd at 10:30 am. We are also engaging with Lakeview Cemetery Foundation to expose our students to a special free distance learning program with a focus on the legacies of African-Americans who contributed to Cleveland's past each Wednesday for the month of February.

Please stop in and visit or volunteer in our building, we welcome you to our community.

School is closed for students on February 17th and February 20th!

We are continuing our preparation sessions for OGT and state of Ohio End of course exams. Please encourage your student-scholars to attend school daily and take advantage of these prep sessions. Testing begins in March and ends in the middle of April.

We are graduating students every month, please encourage students to come to school and earn their credits towards graduation. Your student should meet with the guidance counselor to identify the correct number of credits.

Please remember to notify the school if you move or change addresses. Thanks!

Please share your great experiences about Promise Academy with other friends and family members.

Promise Academy enrolls students every week! Come join our family!

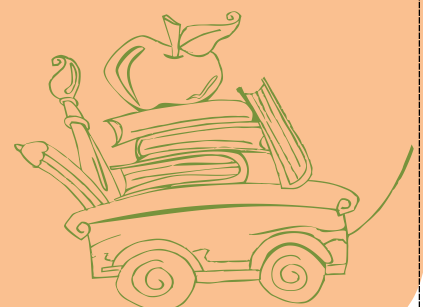

Beginning in February, the monthly newsletter can be found online at www.promise-academy.com

Beginning in March, the Promise Academy Newsletter will be found only online at our website!
