Monthly Newsletter

Message from the Principal's Desk

A Great May to our Promise Academy families!

We thank you for your ongoing support of our school!
It has been a very busy year and we cannot thank you enough for your support of our school!

We call attention to our Prom, scheduled for May 12th at Promise Academy. Graduation Ceremony is scheduled for May 25th at 6 PM. Congratulations to the students who have completed their journey as high school students! We are so proud of you!

A reminder that we need students to login and work online at a minimum of 25 hours per week.

To ensure that students meet this hourly requirement, each student has been assigned to a team, headed by a Promise Academy teacher or staff member. This initiative is called our *Strive for 25* program! Please show your support to our school and to your student by reviewing their hours online at home. You can review the hours by asking your student to logon and to show/display their progress screen in their Gradpoint lesson.

We are also enclosing the spring progress report for your student. Please take time to read this document, as it includes detailed information about your student's progress in their classes.

The last day of classes for students before summer recess is May 25th! Students will be able to access their classes during the summer. Students should go to the promise academy website and press and click on the *Gradpoint* icon. We need parent feedback about our school! There will be a survey that we ask you to complete online, we will send more details in our June newsletter!
Happy May!

Marc Aden
